Tree Care Tips for August 2016

What can you do for your trees in August?

Pruning:

August is a good time to prune trees and shrubs after they finish blooming. Pruning stimulates woody plants to grow new shoots. Pruning in August will give the new growth time to harden before the cold temperatures set in.

Fertilizing:

August is also a good month to apply more compost or gentle fertilizer such as bone meal. Delaying until fall applications of fertilizer can stimulate growth and prevent the plant from hardening properly for the winter months.

Tree Protection:

Continue to monitor tree health. Weeding and mulching around the base of the tree is always beneficial.

Dutch Elm Disease (DED) :

This is the time when DED is easily detected. Elm trees will show a symptom that is called "flagging". Single limbs in the crown of an elm tree will turn red and stand out against the rest of the tree. When the disease progresses whole limbs will lose their leaves and eventually the tree will die. Please let the Town know when you suspect Dutch Elm Disease and we will arrange for the tree to be assessed and tested if necessary.

Have a good summer.

Times: August 25–27 at 8pm; August 28 at 2pm

Location: King's Theatre, Annapolis Royal

Websites: FODAR.ca and kingstheatre.ca

Last year's festival hit, James Kudelka's *The Man in Black* is back. Toronto's Coleman Lemieux & Compagnie dance this lively piece inspired by country and western great Johnny Cash. Mocean Dance's brilliant Rhonda Baker returns to FODAR in Halifax-based Cory Bowles's irreverent and highly physical *Live from the Flash Pan*. Also on the program, is the FODAR remount of the legendary Danny Grossman's 1976 *Curious Schools of Theatrical Dancing*. Rounding out the evening is The National Ballet's Greta Hodgkinson's transcendent performance from *Being and Nothingness* choreographed by National principal dancer and choreographic associate Guillaume Côté.

August 27 – 8 pm and August 28 – 2pm

The internationally acclaimed, gravity-defying *LEO*, presented by Y2D Productions (Montreal) in association with Chamaleon Productions (Berlin) is a great family event. Performed by French acrobat William Bonnet, *LEO* is a dazzling weaving of mime, acrobatics, animation and video projection.

Bohemians in Brooklyn

What happens when a poet, an author, a composer, his lover, and a book-loving stripper all move into the same house in quiet, wartime Brooklyn?

Arguments, indulgence, infestation, questionable relationships of every description, a murder mystery, plenty of reasons for the neighbours to bang on the walls and, just possibly, some truly wonderful art.

**Community Funding Opportunity**

The National Trust for Canada invites community groups undertaking main street projects to participate in a national crowdfunding competition this fall. The 2016 *This Place Matters* competition will give community groups the chance to raise funds, reach new audiences and compete for two \$40,000 prizes. The National Trust is seeking local groups with project ideas that will contribute to the vitality of a traditional

main street and enhance community pride.

A winner will be declared in each category based on the number of votes received. Both winning projects will be awarded a cash prize of \$40,000. Voting will be free and open to the public. Project groups will also receive one (1) additional vote for every dollar they raise through crowdfunding.

The competition will run from October 4, 2016 to November 15, 2016.

Eligibility Criteria

Eligible project groups competing on *This Place Matters* must demonstrate that their project meets one or more of the following key objectives:

Protecting Places: Improving the physical environment of the main street (e.g. the renewal of a public building or space).

Making Connections: Connecting the community and visitors to the history, heritage and cultural diversity of a place (e.g. an app describing local heritage attractions).

Celebrating Community: Bringing people together to rediscover and celebrate local identity (e.g. hosting an event celebrating local cuisine).

Projects must be registered by Tuesday, August 30, 2016. Participating projects will be announced September 23, 2016.

For more information, visit <https://thisplacematters.ca/>.

PARKS CANADA CORNER**Port Royal:****#PortRoyal75 – Thank you!**

Parks Canada and the Province of Nova Scotia would like to thank the Annapolis Royal community for making July 3rd such a special day.

We were blessed with exceptional weather as we gathered at Port-Royal National Historic Site to mark the 75th anniversary of the grand opening of the reconstructed Habitation.

As was the reconstruction project itself, this celebration was truly a community effort. Attendees enjoyed the sounds of the Annapolis Basin Community Band and a play by the Annapolis District Drama Group showcasing Harriette Taber Richardson and her dream of reconstructing the Habitation at Port-Royal. Members of the Historical Association of Annapolis Royal reflected on the group's support of the reconstruction project, and local officials praised the legacy of this work on the modern community. Attendees took advantage of the opportunity to join the historic Order of Good Cheer and the sampling of locally-made food and drink from Good Cheer Trail members against the backdrop of the Order of Good Cheer's birthplace. We think even Samuel de Champlain himself would have approved! Thank you to all involved in this special celebration.

"Construction Traditions" – Sunday, August 7th

Celebrating Port-Royal continues! Craftspeople will present their skill and knowledge of some of the traditional techniques that were used to reconstruct the Port-Royal Habitation. Don't miss demonstrations of hewing timbers, making shingles, turning wood, making handles of tools and blacksmithing, 1-4pm.

Sunday August 21: Sharing Cultural Alliances and Traditions

The Mi'kmaq welcomed the French to Port-Royal over 400 years ago - the two cultures met and shared experiences and knowledge, forging a strong friendship and alliance. This alliance would eventually lead to intermarriage between the Mi'kmaq and the French. Descendants of this alliance, the members of the Association des Acadiens-Métis-Souriquois, will share their rich heritage and culture with visitors. 1pm-4pm.

Fort Anne:**August 20 & 21: Heritage Victorian Cricket matches at Fort Anne**

Fort Anne is thrilled to host the 4th annual Heritage Cricket Tournament. The matches, complete with a traditional players' tea break between innings, will be contested wearing uniforms of the 1890's. An introductory workshop to the sport will be offered at 10am on Sunday – don't miss your chance to learn a new sport!

Fort Anne: Yes, we're open!

Parks Canada reminds the community that while we have a bit of siding work left to complete on the Officers' Quarters, Fort Anne National Historic Site is indeed open! This month brings all kinds of opportunities to pop by and see us – including

Encampment Days on Natal Day weekend (July 29-31), and outdoor art and Victorian cricket during "Paint the Town" weekend (August 20-21)!

SOFAAR is holding its first curated show! All SOFAAR members are invited to submit 1 or 2 pieces in any form of fibre art to reflect the diversity and inclusiveness of our non-profit organization. The curator will choose the pieces that best reflect our diversity as well as the small space of the Chapel Gallery. If you don't get chosen, it has more to do with the tiny space and search for diversity than the quality of the work. Due to time constraints, your submission **does not need to be a new one**. Please check out our website, and our news letter as well as info@sofaar.ca for further info.

Looking forward to seeing you there!

COMPOST TIPS

A few steps that can be taken to reduce the odour in the green carts:

- Wrap food in newspaper or cereal/cracker boxes
- After collection, pad the bottom of the cart with shredded paper or loosely balled up newspaper
- Keep the cart in the shade
- Clean out the fridge the day before collection
- Refrigerate or freeze very smelly items until collection
- Hose out the cart periodically
- Add lime to the carts
- Use compostable bags. If using the faux plastic ones, make sure that they are compostable, not just biodegradables they do not break down. Look for the maple leaf on the box.

Bad Joke of the Month:

Pavlov is sitting at a bar, when all of the sudden the phone rings... Pavlov gasps, "Oh crap, I forgot to feed the dogs."
