## Town of Annapolis Royal Budget for 2016/17

On Monday, June 20th, 2016, Town Council approved a \$1.8M operating budget. **Town Council was able to keep the tax rates at \$1.65 for Residential and \$3.15 for Commercial.** Please see the graph for a breakdown of how each \$1.00 of tax is spent. For details on this budget please go to our website or contact Town Hall.

Council also approved a \$1.5M capital budget which includes contributions from the Town in the amount \$465K that is **contingent on grant funding**. The most significant capital items include the waterfront development project, upgrades to sewer lines, sidewalk repairs, and repaving sections of St. George Street. If grant funding is not obtained then the projects will be re-evaluated.

Budget fact: since switching to iPads in lieu of hardcopies for meeting materials, the Town has saved an estimated \$267/mth.

***Come celebrate Canada Day and Natal Day Weekend in Annapolis Royal. Details of events on pages 6 & 7. There is lots of fun to be had!***

## Thank You to the Community

We are thrilled to announce that 9 Condos have now been SOLD! We have reached the halfway point with only 9 more to sell before construction can begin in August.

A huge thank you is extended to the citizens of the Town and to residents of the surrounding area for their tremendous support. You have been instrumental in helping us reach this important milestone.

The word is certainly out there that if people live in Annapolis Royal, they'll be part of a welcoming community and be within walking distance of everything that they could ever need.

Please continue to "spread the word" by directing friends near and far to our website at [ouracademy.ca](http://ouracademy.ca) and to our weekly Facebook updates at The Academy – ARRA.

The Sales Office at the Academy is open Wednesday to Sunday so drop in for a tour or call 526-0220 to make arrangements for a time which is more convenient for you.

Thank you again for your support,

Tim Tanner

## PARKS CANADA CORNER

#PortRoyal75 – July 3<sup>rd</sup>

This summer, Port Royal National Historic Site celebrates 75 years since its reconstruction, marking the beginning of the historic preservation movement in Canada. Parks Canada, in collaboration with the Province of Nova Scotia and the Annapolis Royal community, invites you to join us Sunday, July 3<sup>rd</sup> as we celebrate the occasion.

All will be welcome to receive the Order of Good Cheer: a tradition that first began at the Port Royal Habitation. This distinction is normally reserved for visitors to our province. However, on this special day, the Order of Good Cheer will be granted to ALL attendees, including Nova Scotians

July 3<sup>rd</sup> will also mark a once-in-a-lifetime stop on the Taste of Nova Scotia Good Cheer Trail. Visitors are invited to sample locally-made food and drink from Good Cheer Trail members against the backdrop of the Order of Good Cheer's birthplace.

Celebrations will also feature a locally-produced vignette harkening back to the 1941 grand opening celebrations at Port-Royal. This play tells the story of Harriette Taber Richardson and her love of the Habitation. Order of Good Cheer swearing-in ceremonies will take place throughout the day, as will Kids Zone activities including airbrush tattoos and visits from Parka, the Parks Canada mascot. The Annapolis Community Band will provide a beautiful live soundtrack to the day!

Parking is limited, so car pool with a friend (or two!), bring a lawn chair, and enjoy the day - rain or shine!

**Fort Anne: Open for Business!**

Parks Canada wants to remind the community that while we have a bit of siding work left to complete on the Officers' Quarters, Fort Anne National Historic Site is indeed open for the season – come in and see us! Behind-the-scenes work continues as we prepare for our 100<sup>th</sup> anniversary in 2017.

With over 1.5 million members, the Lions are the Worlds oldest and largest service club--Why not join us today? The Annapolis Royal Lions Club needs your kind in its ranks!

June 22, 2016 – ANNAPOLIS ROYAL, NS: Now in its third year, Festival of Dance Annapolis Royal (FODAR) is upping its game. FODAR officially announced its lineup today at King's Theatre, venue for the Festival.

In her welcome to Launch attendees, Grace Butland, Chair of Society of Company of Angels Dance Projects, which oversees FODAR, marveled at how far the Festival had evolved in such a short time. Mrs. Butland underscored the key role that Government Partners, donors and volunteers play in the Festival's success and in its commitment to keeping FODAR accessible through reasonable ticket rates. "Without this kind of ongoing assistance we would not be able to present such high calibre work at prices within the range of our rural audience. We are extremely grateful for this support."

FODAR Artistic Director Randy Glynn ran down the roster of diverse performances that the Festival is bringing to King's Theatre August 25 through 28. "We're proud to offer another season of stellar contemporary dance and movement theatre. As FODAR continues to grow, we remain committed to our original focus to showcase the breadth of talent that is present-day Canadian contemporary dance, and to celebrate the groundbreaking works from our past. **YOUNG COMPANY PRODUCTIONS ANNOUNCES THEATRE DAYS: THE PLACE TO ACT OUT!**, a series of theatre-arts workshops for teens and pre-teens (aged 10-18) in the Annapolis and Digby County area. This workshop series is free of charge and is supported by the Town of Annapolis Royal.

*Theatre Days* aims to be a hands-on, fun experience. The summer program kicks off on July 2 with Gillian Ormerod moderating a workshop of improvisation and drama games. Other topics include auditioning, clowning around, acting basics, scriptwriting and directing. Later in the summer, participants will have an opportunity to visit and tour King's Theatre in Annapolis Royal to learn about the work involved in putting a production on-stage.

"I'm so thrilled to see the selection of the workshops that are being offered. Young people in our community interested in theatre arts now have a venue to experience a variety of workshops. This can develop into a lifelong contribution to theatre arts in the community. Theatres everywhere will benefit from this." - Flora Hall, Chair, Young Company Productions Association (YCP).

By the end of summer those involved will have a well-rounded introduction to the theatre. YCP is extremely happy to be able to rely on the talent of a diverse group of moderators for these workshops - some are seasoned members of the Annapolis District Drama Group (ADDG) while others are offering their professional skills to develop programs for the series. YCP is hoping the enthusiasm from these moderators will inspire a lifelong love of and appreciation for theatre.

Workshops will be held each Saturday in July and August and run for two hours. All workshops are free of charge, although pre-registration is recommended as spaces are limited. There is no limit to the number of workshops that one individual can register for. To pre-register email [youngcompanyproductions@gmail.com](mailto:youngcompanyproductions@gmail.com) with your name, age, phone number, and which days you would like to attend. ## Tree News

It is July and one of the hottest months of the year. Our native tree species are well adjusted to wet and cool spring weather and a mature tree has usually no problem surviving the dry and hot summer months. Here are some tree care tips for July:

- \* Water newly planted trees for at least two seasons
- \* Maintain mulch circles around trees. They create a cool and moist environment for the root system
- \* Fertilize younger trees with compost and /or bonemeal, put compost first and then cover it with mulch
- \* Avoid high nitrogen fertilizers. These would promote rapid growth but create an imbalance in the tree. Over fertilizing makes the tree more susceptible to diseases and insect damage
- \* Do not whipper snip around trees. It will damage the bark and the wound will attract insects like the apple borer or other infections and the tree can die

Some common problem to look out for:

### Dutch Elm disease (DED):

- Look for so called “flagging”. Limbs in the crown of an elm tree will all of a sudden turn red. This could be the first sign of DED
- Call the Town for an inspection.

### Gypsy Moth:

- Caterpillars prefer to eat oak trees but will eventually eat the leaves of any tree. Their population can grow so large that they will defoliate whole areas.
- Caterpillars have red and blue dots on their back and the moth will lay their eggs in a sponge like cocoon. When you find these, destroy them to prevent an outbreak.

### Apple Borer:

- Likes apple trees and crab apples. They lay eggs in the bottom of the tree trunk and the larvae will “bore” into the trunk and hollow out the tree. They prefer grass or other shelter around the base of the tree. They will also lay eggs near wounds for easier access.
- Remove long grass around apple trees, create mulch circles and avoid damage of the trunk.
