Planning a Project?

Building a House? Planning a Deck? Putting up a Shed? It's construction season again! Did you know that before you build, renovate, locate or change the use of a building or property you need a development permit. The Town of Annapolis Royal's Land Use By-law sets out standards and requirements for a wide variety of construction and development activity within the Town. Questions about development permits, building permits and the Land Use By-law can be directed to Sandi at 532-3148.

A notice to all dog-owners in Town.

Please keep your dog on a leash within Town limits. Also when leaving **pets in vehicles** while on a quick dash, remember leave the windows open. The interior of the vehicle heats up very fast.

During the months of **July and August**, when in downtown doing whatever, just say **"Good morning"** or **"Good afternoon"** as the time of day suggests, **To everyone you meet** on the street....friends, neighbours, locals, visitors, young and not so young. You don't have to stop and talk, just smile and as you pass say **Good morning/Good afternoon**. The feel good effect will be felt by both you and the recipient of your greeting.

**ANNAPOLIS ROYAL TRAIN STATION
now available for rent**

The heritage award winning Annapolis Royal Train Station is now available for rent. Located at 151 Victoria Street, this 1200 square foot building was constructed in 1914 and restored in 2006. It is one of the few ground floor office spaces in Annapolis Royal. The station features one very large private office (the old luggage room); one semi-private office (formerly the station master's); a large open area suitable for four cubicles; a small kitchen and a unisex bathroom. There are 200 square feet of storage in the basement. Parking for five or six cars.

Tenant is responsible for the usual utilities. For more information, please contact owner Jane Nicholson at jane@mrsnicholson.com or (902) 532-5263 days (except Monday) or (902) 532-0008 evenings. The building is available immediately.

We would like to thank our tenant of seven years, the Clean Annapolis River Project (CARP), for its devotion to the little building. We are happy that, having outgrown the station space, CARP has found larger premises in Annapolis Royal. Special thanks to Susan Lane.
