Annapolis Royal Regional Academy (ARRA) Update

The Town officially became the owners of ARRA on April 1st and we are now entirely responsible for the facility. Since February 1st we have been working with staff from the Annapolis Valley Regional School Board (AVRSB) to transition the property over to the Town.

The Clean Out of ARRA

After the truckloads of supplies, furniture, teaching resources and materials were taken to Annapolis West Education Centre (AWEC), the other 42 schools within the AVRSB were able to have whatever remaining furniture and resources they wished to use. The community was given the opportunity to acquire items from ARRA during the Yard Sale and Give Away on April 25th. All proceeds from the sale were targeted for youth programs. We are now in the final week of the building clean out. AVRSB staff have provided training to the Town's Public Works department in the maintenance of ARRA's electrical, heating, plumbing, sprinkler and security systems.

Repurposing of ARRA

The Town is continuing to follow through on the community's decision to have ARRA repurposed. While we are still finalizing the anticipated annual operating costs for ARRA while under the Town, repurposing the school is a significant priority. To date, 24 different developers have been contacted and have received documentation about the facility. Several developers have had site visits. We also responded to the Request for Proposals (RFP) put out by the Annapolis Valley Regional Library headquarters but it was recently announced that the facility will be moving from Bridgetown to Berwick.

Next Steps

The ARRA Committee continues to work hard on the community's behalf to repurpose ARRA. In the near future, short term rental rates for ARRA facilities (month-to-month and hourly) will be released. Current community and Town recreation programs and events will continue to operate with a new fee structure being developed in the coming months. We will also be issuing an Expression of Interest (REI) by mid-May in order to see what businesses or individuals would be interested in the building. Please watch for the document on the Town website and feel free to forward it along to those who may be interested.

Spring Luncheon

The Marketing and Economic Development Committee for the Town of Annapolis Royal and the Annapolis Board of Trade, are extending an open invitation to a luncheon at the Annapolis Royal Regional Academy, (590 St George Street) on May 7th, 2015 at 11:00 am. The meeting will be held upstairs in the old library location. This event will be co-sponsored by Bay Ferries, Annapolis Board of Trade and the Town of Annapolis Royal.

We would like to meet with representatives from our businesses, attractions, organizations and all Board of Trade members, as you are often the first contact with visitors/tourists and your input continues to be highly valued.

We'll socialize and enjoy a lunch, and exchange information with each other about promoting, marketing and economic development for the Town of Annapolis Royal and surrounding area. First, we will have a presentation from Nick Fry with Nova Scotia Tourism Agency, to discuss the importance of www.novascotia.com and how to promote packages on their website. We will then break for lunch, (supplied by Bistro East) with the opportunity for attendees to give a brief 5 minute update on their own plans for the upcoming season. Then after lunch Mike Adams from Bay Ferries, will make a presentation on the outlook of the upcoming season and partnering opportunities with Bay Ferries.

The photo (left) is of members of the Annapolis Royal Lions Club at a recent presentation from the club to the AWEC 2015 Safe Graduation Class Committee. The proceeds toward this donation came from 2 sources -a club donation and a recent Annapolis Valley Radio/Lions Bingo event held on the night of March 30, 2015 at AWEC.

A huge thank you to everyone who helped organize the 9th annual Easter Eggstravaganza AND a huge thank you to all those who braved the rain and made it great success. This has become a true community event with everyone lending a hand and making it a great family day in our tiny perfect town. I have tried to keep track of all those who helped out in any way either with monetary donations, time donations or product, if I have left you out I apologize.
