**MESSAGE FROM NEW MAYOR**

I would first like to thank my family for their support in the last month, and their commitment to the next four years.

I would like to congratulate Paul Paquette, Pat Power, Byron Mersereau, and Sherman Hudson for being elected to Council. I would also like to thank Doug Shaffner, Caroline Bosley, and Holger Mueller-Sparenberg for running in this election, it ensured that we would hear from the inhabitants of the Town and the direction they want the Town to go in.

I would especially like to say thank you to the Town residents who came out to vote. It is clear to me that that you wanted a new direction for the Town Council. I look forward to starting this process on November 7th when I am sworn in. I know the next four years will be challenging, but with the council that has been elected we will be effective in meeting these challenges.

I will be opening new avenues of communication between myself and citizens of the Town and surrounding area, starting with a Facebook page for the Mayor which will allow anyone to connect. I will also have open office hours from 6:00 pm to 8:00 pm every Thursday at the Town Hall. Please drop by to discuss any subject or concern you may have. Hearing from you allows me to know the changing concerns in Town. Regular communication by email, [mayor@annapolisroyal.com](mailto:mayor@annapolisroyal.com), and by phone 902-532-7090 is available as well.

It is my hope that the next four years is a period of significant prosperity and growth for the Town and its inhabitants.

-Michael Tompkins

Town Hall will be closed Nov 12, 2012 for Remembrance Day. For Public Works emergencies please call 532-8347.

If you witness any vandalism or unlawful behavior within the Town of Annapolis Royal, please report the incident to the Annapolis Royal Police Department. Thank you for your help in this matter.

**MESSAGES FROM THE NEW COUNCILLORS**

*When I decided to run for Council, I had two wishes;*

1. *there would be a contest – because I wanted Annapolitans to have choices - that wish was more than fulfilled as there were TWO contests – one for Mayor and another one for the four Councillor positions. I want to thank all my fellow candidates for giving the voters the opportunity to have choices and for their efforts to inform voters about the things they could bring to the table if they were elected to serve on council for the next four years.*
2. *my second wish was for a high proportion of our eligible voters to exercise their right to have a say on who will represent their interests on the next Town Council. The voter turnout for our Town in this election was 65%, which I am sure will prove to be much greater than the as yet unannounced Provincial average, I applaud every Annapolitan who demonstrated his or her interest in our Town by voting.*

*The fulfillment of my two wishes by itself makes me feel like a winner and in addition to that I feel truly honoured to have been selected as a member of the Team of five people who will serve on Town Council for the next four years. I pledge to do my best to advance the needs, interests and values of Annapolis Royal’s constituents and stakeholders during my term in office. I offer my congratulations to our new Mayor and to my fellow Councillors on their successes in the 2012 Municipal Election and I especially want to thank everyone who supported me in my bid to serve them as a Town Councillor.*

*Byron Mersereau*

Greetings,

I would like to take this time to thank the residents of Annapolis Royal for your overwhelming support in the recent election. I look forward to serving you, and working with the new mayor and fellow councillors. The next four years will present many challenges; I see these as opportunities for change.

I would like to express my gratitude to Wayne Smith for his encouragement and diligent work as my agent. I would also like to thank those residents who worked with me: visiting door to door, speaking on my behalf and displaying my campaign signs.

I enjoyed knocking on doors and getting to meet new faces and hearing your views. I will continue to be available for comments and feedback. I may be reached by phone at 532-1638 and by email at [paulpaquette@annapolisroyal.com](mailto:paulpaquette@annapolisroyal.com)

Once again,  
Thank you for your support  
Paul Paquette

Thank you to all voters in Annapolis Royal who exercised their right to vote in the recent municipal election.

It is a great pleasure for me to be given the opportunity, once again, to serve as a Town Councillor and I pledge, in the term ahead, to support all measures that serve the best interests of the Town, our residents and businesses, to the best of my ability.

Thank you, Pat Power

**On this my third term as an elected councillor for the Town of Annapolis Royal, I would like to take this opportunity to thank each and every one for their support. I will do everything in my power to support each and every one.**

**Thank you again,  
Sherman Hudson**

## **FAREWELL MESSAGES FROM OUTGOING COUNCIL**

This is the last *Town Crier* coming out under the aegis of the Town Council that has served during the last four years. For me, this also marks the end of sixteen years on Council, as councillor, deputy mayor, and mayor (two terms). I'd like to take this opportunity to thank my fellow councillors for the diligence and effort they have devoted to their duties on behalf of the people of this great town. It has been a privilege and an honour to serve as your mayor during the last four years. Thanks too to the Town Hall staff, the guys at Public Works, and the Annapolis Royal Police. And all best wishes to the new Council!

Phil Roberts  
Mayor

*I wish to congratulate the new council and mayor and wish them success. Thank you for all that supported me. I am grateful for the opportunity to serve my beloved Town on council and committees.*

*- Holger Mueller-Sparenberg*

### **COMPOST CONTAINERS MOVED**

**The compost containers located in the Legion parking lot have been moved effective November 1, 2012.**

**Due to the close proximity of the containers to the location of the new cenotaph, the Legion requested that the compost bins be removed from their property.**

**As a temporary measure until Spring 2013, the compost bins have been re-located behind the Annapolis Royal Farmers and Traders Market stalls adjacent to the Town parking lot between Church Street and Drury Lane.**

**If you witness any vandalism or unlawful behavior within the Town of Annapolis Royal, please report the incident to the Annapolis Royal Police Department. Thank you for your help in this matter.**

## Welcome to Annapolis Community Health Centre's Collaborative Emergency Centre (CEC)

We began providing services Monday, September 17, 2012. Our defined population, the people who are most appropriately served by our Annapolis Community Health Centre, have told us they want 24 hour a day, 7 day a week access to emergency care and shorter wait times for office appointments to see their family doctor or nurse practitioner. Those who don't have a family doctor want to have regular access to a doctor or nurse practitioner. *We have worked hard to ensure our CEC can address the health care concerns expressed by our defined population.*

### How does the CEC work?

If you come to the CEC between 8:30 am and 8:30 pm, you will register at the front registry, take a seat in the main waiting room and be assessed by a nurse, options available:

- \* to be seen in your regular doctor's office
- \* to be seen by the CEC doctor with a booked appointment or in the former outpatients

### The sickest patients will always be seen first.

If you are referred to your regular doctor's office, you will be given a copy of your assessment and any tests that were performed to take to your doctor.

If your Annapolis Royal doctor's office is not open you will be offered an appointment with the CEC doctor and given a copy of your paperwork to give to the doctor. If this appointment is later in the day, you have the option of remaining in the CEC or returning at the appointment time. Please let the front registry know your plans and check in with them on your return. *\*Since the appointment is with the CEC doctor an emergency situation could delay or interrupt your appointment\**

If you are a member of our "defined population" and you do not have a family physician or nurse practitioner you will be given an appointment with the CEC doctor. This will be a booked appointment similar to a regular doctor's office appointment.

If you don't require urgent care, don't have a local doctor or nurse practitioner and aren't a member of our "defined population" you will be seen by the CEC doctor after any emergencies and booked appointments have been seen, so you may have to wait.

Your other options for care include the Emergency Departments at Soldiers Memorial Hospital in Middleton or Digby General Hospital in Digby or call 811 to speak to a nurse.

**If you come to the CEC between 8:30 pm and 8:30 am you will be assessed by a nurse and a paramedic who will then telephone a doctor to discuss your health problem.** A plan for your care will be discussed with you and your family (if present):

- \* You may be discharged home.
- \* You may be given treatment and discharged home.
- \* You may be provided with treatment and given a follow-up appointment to see the CEC doctor in the morning.
- \* Your medical assessment may indicate a transfer by car or by ambulance to a hospital such as Valley Regional Hospital in Kentville. There is no charge for an ambulance transfer from Annapolis Community Health Centre to another hospital.

### Important Information You Should Know

As always, anyone who comes into our CEC at anytime will have an assessment of their health problem which will determine how, where and when that person will receive care.

The sickest patients will always be seen first.

Previously an Annapolis Royal doctor was on-call 24 hours a day, 7 days a week. Now an Annapolis Royal doctor is on-call during the day from 8:30 a.m. to 8:30 p.m. and an emergency department doctor is available by telephone overnight from 8:30 p.m. until 8:30 a.m.

The Annapolis Collaborative Practice now has a doctor or nurse practitioner available in the office each day from Monday to Friday (excluding holidays) who will see any patients that are patients of the practice who are referred from the CEC.

Dr. Ken Buchholz' office will continue to offer same day and next day appointments as usual; however, since he has a solo practice there will be no referrals to his office when he is the CEC doctor.

We have three new clinical exams rooms which will be used for the CEC appointments and for specialist clinics for urology, obstetric/gynecology, internal medicine, pediatric and palliative care clinics, wound/ostomy care and the Canadian National Institute for the Blind.

Patients will still receive blood transfusions, IV medications, special dressing changes and procedures pre-booked with one of our local doctors.

The Annapolis Community Health Centre still offers Lab, X-ray, ECG, Diabetes Center, Continuing Care, Public Health, Annapolis Collaborative Practice offices, Physiotherapy and Occupational Therapy, Mental Health and Addiction Services. Short stay and palliative care beds continue to be available.

Residents who bring two strings of traditional glass holiday lights for free recycling will receive one string of LED holiday lights in exchange. The LED Holiday Light Exchange Program is one of the programs Efficiency Nova Scotia provides to encourage customers to switch to more energy-efficient products.

### Tree News November 2012

It's November, winter is looming on the horizon...time to put the garden to rest for awhile. Remember to mark those young trees with long stakes that are close to the street or driveways, so snow plough operators will see them.

There will still be apples on trees; I notice them even more now that the Community Garden and Orchard owns an old fashioned cider press. Most apples make surprisingly good cider. Consider growing your own apples or collecting them and join the fun of making your own juice ( call 532 0161 for more info or email

[angelika-waldow@bellaliant.net](mailto:angelika-waldow@bellaliant.net) ).

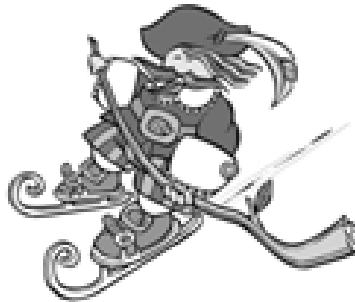

This summer I've planted 2 walnut trees behind the Legion, a few hazelnut bushes and 2 walnut trees with students from AWEC. Here is the good news: deer don't seem to like nut trees, so there is a good choice for "wildlife-rich" Annapolis Royal. You have to try to get the nuts before the squirrels do. We can grow hazelnuts (*corylus avellana* and *cornuta*, the native), English walnut (*juglans regia*), butternut (*juglans cinerea*), heart nut (*juglans ailantifolia* var. *cordiformis*). The heart nut is becoming more popular with Nova Scotia nut growers. It is a Japanese walnut. They are quite vigorous, beautiful trees, similar to butternuts.

It's always good to plant two of each for better pollination. Nut trees are a good choice, once planted they just keep producing. Have a great November and enjoy the fall.
