## Annapolis Royal to Host the 2<sup>nd</sup> Annual North American Conkers Championship – Saturday, October 19th Historic Gardens, Annapolis Royal, NS

Conkers? Has anyone really heard of conkers? New to many Nova Scotians, but an old tradition for anyone of British heritage, Conkers has been making a reappearance in Annapolis Royal in recent years.

The game of conkers involves, quite simply, a chestnut on a string. Well, two actually, as each person in the duel requires the same armament. The objective – to break your opponent's conker. Sounds simple, but it is actually quite difficult and makes for great fun for participants and spectators alike. To quote the Annapolis Royal organizers, conkers is "A game of Kings and school boys - This centuries old form of sporting battle is about to re-emerge."

The 2<sup>nd</sup> Annual North American Conkers Championship will be held "centre-Courtyard" at the Annapolis Royal Historic Gardens on Saturday, October 19 during the Winter Market. Registration is at 10am and the tournament begins at 10:30am as participants vie for the coveted Crofton Chalice. No entry fee, no experience necessary, all ages welcome! For details, visit [www.annapolisroyalconkerclub.ca](http://www.annapolisroyalconkerclub.ca)

After the tournament, head over to the Annapolis Royal Golf Club at 2:00pm to try your hand at a putting competition that will drive you NUTS, during the "Great Putting Challenge". Yes, you guessed it – instead of balls you will be putting with conkers! Putter and conkers are provided.

Plan on spending October 19 in Annapolis Royal for this unique day of events, and while you are here be sure to enjoy some of our many GHOST TOWN activities ([www.exploreghosttown.com](http://www.exploreghosttown.com)).

## Tree News October 2013

It is October and the summer is coming to an end. I have always thought of the end of summer and fall as the season of abundance. Squirrels and other animals are busy gathering food for the winter. Apple trees are hanging full of fruit ready to be picked.

The Community Garden is hosting its second annual cider pressing event on October 19<sup>th</sup> 2013, 10 am—3pm. It's a great family event for all ages. You have to bring apples and your own bottles. A sharp knife and a funnel are helpful. It's ok to bring up to about 2 bushels per family and working as a team we will get them all pressed together. The admission is by donation towards the Community Garden.

For questions email: [angelika-waldow@bellaliant.net](mailto:angelika-waldow@bellaliant.net) or call 532-0161.

The damaged crab apple trees along St. Anthony Street are still struggling. Two of them have started wilting. I am hoping it is just a sign of stress and they are going through an early fall. By next spring we will know if they start growing again. All the rain has certainly kept the soil moist and I have watered them through the dry season. Let's hope for the best.

I hope you enjoy our beautiful fall season, Angelika
