ARRA and AWEC School Starts September 4th

Attention Drivers

The school zone speed 30 kms/hr is when children are present.

If they are on the sidewalks or in the playground area they are present. This is in effect 24 hours a day 365 a year. If they are in the school building they are not present and the speed limit is 50 kms/hr.

Thank you for caring!

Be prepared to STOP.
Children do not always
pay attention to motorists.

Public Reminder to Stop for School Buses

Whether on a city street, highway or county road, and regardless of the speed limit and the number of lanes, motorists travelling in both directions must stop when approaching a stopped school bus with its upper red lights flashing. A flashing stop arm will swing out while passengers are boarding or leaving the bus. (The only exception: on highways separated by a median, traffic coming from the opposite direction is not required to stop). Once all passengers have boarded, the STOP arm will fold away. Do not start moving until the red lights have stopped flashing and the bus begins to move.

Thank you from the Friends of Annapolis Pool Society

The FAPS would like to thank all those individuals and businesses who sponsored swimmers in the 2013 24-hour swimathon which took place at the community pool on August 9th and 10th. Despite the rainy weather, swimmers enjoyed themselves overnight on Friday into Saturday. Thanks to all of you, we raised nearly \$2600! The Annapolis Community Pool relies solely on grants and donations for its upkeep and your continuous generous support is very appreciated. A big thanks to all the volunteers for their many hours of work and also to the great lifeguarding staff we had this year. The pool is now closed for the season and we hope to see you all back again for a swim in 2014. Please check out our website at <www.annapolispool.ca> for updates or find us on Facebook.

With Great Appreciation

On behalf of the Annapolis & District Natal Days Princess Committee, I would like to express our sincere gratitude to the Town of Annapolis Royal, Mrs. Jane Nicholson, the 2013 Royal Party In-Kind Sponsors, the many local businesses and community groups sponsoring the 2013 Natal Days Booklet, and everyone near and far who came out to contribute to and support the 2013 Royal Party in so many ways. All of this year's young ladies: Princess Annapolis Heritage Society; Caitlin Bridson-Pateman; Princess Annapolis Save Easy, Courtney Campbell; Princess Leo's Café, Alyssa Huston; Princess Annapolis Foodland, Zara LeBlanc; and Princess Hillsdale House, Hayley McIntyre all brought a great deal of poise and grace to their leadership skills development program and certainly made the judging for our new Queen a challenging process. We do so appreciate the time, care, and commitment of the judges panel; Mrs. Grace Butland, Mrs. Jaye McQuillin, and Mr. Syd Read, in their deliberation process. Congratulations to Miss Friendship, Zara leBlanc; 1st Lady In Waiting, Hayley McIntyre; and 2013 Queen Annapolis Royal, Caitlin Bridson-Pateman. In closing, I look forward to seeing many of you at the 2014 Queen Annapolis Royal Dinner to be held in March 2014.

Sincerely, Ann Marie Monk, Annapolis & District Natal Days Princess Committee Chairperson

'Hawg Wild in the Gardens'!

Labour Day Weekend brings the much anticipated annual Wharf Rat Rally, a gathering of motorcyclists and motorcycle enthusiasts in Digby, Nova Scotia. And here at the Historic Gardens, we're part of it too!

From Bike Photo Opps (yes, you heard me right!) in the Gardens, to creative motorcycle-inspired displays, to special discounts for Rally participants, Staff and Volunteers at the Gardens are rolling out the red carpet to welcome riders! A few years back, we thought it would be an "off the wall" idea to allow Wharf Rats to roll into the Historic Gardens for the greatest photo opp EVER! The Courtyard area took on a cycle theme, and groups of riders had a ball posing with their bikes amongst the flowers! The event has grown to be a "must do" tradition, so c'mon down and go 'Hawg Wild in the Gardens'! September 1st and 2nd.

NOUVELLE-ÉCOSSE

Tree News for September 2013

It is September now. I hope everyone has had a good summer season so far. I was very sad that 8 trees on St. Anthony Street were broken. The trees were still attached, so I was able to graft them back together. With help of Karen Achenbach (Historic Gardens), Sally and George, we braced the "broken limbs", and put long iron bars to support the crown. I pruned the crown back to reduce the weight and reduce the mass of leaves that the trees need to feed. I am hopeful because the trees have not wilted yet. We will know by next summer if the grafts have taken and the trees will continue to be stable and grow. I have been watering the trees regularly to keep them growing and healing.

On a different note:

It will be apple season soon, so mark your calendar for Oct 19th, 2013, the apple pressing day at the Community Garden behind the legion. Bring your own apples and bottles and press your own cider. (If you want to join the garden team or simply want to ask some questions: come out on Friday mornings 10 am; behind the legion). There are 8 apple trees planted in the garden but they need to mature a bit. Surprisingly though one of them bears a lot of apples. It will be so much fun to start harvest and use those trees in the future.

For any question email Angelika at angelika-waldow@bellaliant.net
See you around.
