The Annapolis Royal Lions Club is seeking the assistance of the community in locating our highway signs which were placed at the entrances to Annapolis Royal. These signs were purchased at great expense by the club several decades ago and consisted of a metal post with the Lions club logo on top and an attachment with club name, meeting date, location and time provided. We have recently discovered that the signs are no longer located where they were placed. Members of the community who can provide any information are asked to contact the club. Thank you. Town of Annapolis Royal Logo Redesign

Background

In 2013 the Town of Annapolis Royal's Marketing and Economic Development Committee (MEDC) performed an audit of the Town's marketing materials. This audit revealed 3 distinctly different symbols were being used, inter-changeably, as logos in advertising and promoting the Town. These 3 symbols are the Town's crest, the Timeless Annapolis Royal logo, and the National Historic District logo.

MEDC recommended to Council that the Town's crest should be used only on official, formal or legal documents and declarations, or in situations that pertain strictly to the business operations of the town. They also recommended that the remaining two logos be narrowed down to one, which would then be used consistently on all advertising and promotional materials (print, signage, online).

Process

In an effort to be both time and cost effective, Council approved a redesign of the 2 existing logos. On August 11, 2014 the Town sought proposals for the redesign project, asking that the strongest elements of the existing logos be combined into a single design. They asked that the most iconic elements from each logo be used – namely Fort Anne and our connection to the waterfront – to create a single version. A Graphic Designer was chosen and an early draft was made public on November 14, 2014. The feedback from that exercise was given to the Graphic Designer and 2 final options are now being shared with the community.

How You Can Help

The Town is inviting all interested parties to choose between the 2 final versions. The community's choices will be recorded and considered by the Mayor and Council during their selection process.

You can make your choice by selecting the logo you prefer in our online survey, or by visiting Town Hall to see the logos in print and making your choice in person.

The link to the survey is <http://annapolisroyal.com/logo-survey-2015/>

Thank you for your participation in this important process!
