### Message from the Mayor

Summer is upon us, and thanks to the tireless work of Donnie Brown and his crew, our new waterfront amphitheatre will be ready for us to kickoff the Canada Day weekend on Friday June 30th. There will be a beer garden next to Town Hall, hosted by the Annapolis Royal Volunteer Fire Department, and a full day of

music at the amphitheatre from 2pm to 10pm; with performances from Lynnea Rose; Ray Legere & Jim Colette; Christine Campbell; Gianna Lauren; Rain Over St. Ambrose; Garrett Mason; and the Divorcees! Wayne Currie will serve as our Master of Ceremonies of this exciting event.

Don't be surprised to see Premier Stephen McNeil and Member of Parliament Colin Fraser enjoying the music at the amphitheatre, with the rest of us. They will be in Annapolis Royal to join in welcoming a visiting delegation from Roan, France, our sister city; who are joining us this year for Canada Day.

Join the celebrations! Canada Day 2017 is going to be incredible - with the town festooned in red and white; and don't miss the opportunity to get your photo taken in front of Town Hall posing as an officer of country's iconic Royal Canadian Mounted Police. Just too many events to list here - so check out the 'Canada Day in Annapolis Royal' posters and event schedules posted around town; on the Town of Annapolis Royal website; or Facebook page. 'Start at the Very Beginning' and celebrate Canada Day in historic Annapolis Royal - the Cradle of Our Nation.

Please Note: Town Hall will be closed Monday July 3rd

Money raised will go towards the cost of repairing the steeple.

The Lions Club of Annapolis Royal will be selling tickets every Saturday at the Farmer's Market (Masonic Lodge). Proceeds from this fundraiser will help to supplement our charity budget. Draws to take place every other Saturday starting July 1st until October 7th. Thank you to our area businesses for their generous donations to make this possible.

### LIONS NEWS— July Edition

On June 9th the Annapolis Royal Lions Club celebrated it's 60th Charter Night and the 100th Anniversary of Lions Club International plus Canada 150. Over 27 Lions and guests attended including 2 founding members. Mayor Bill MacDonald of Annapolis Royal was the guest speaker and spoke on the topic of Annapolis Royal and it's link to Canada 150. Mayor MacDonald presented the Lions with a Town proclamation honouring us for our service to the community. The Lions in turn made Mayor MacDonald an honorary life member in the Lions Foundation of Nova Scotia, a humanitarian foundation. It should be noted that the Town and the Lions have several joint projects including maintenance of historic buildings, purchase of benches and civic signs. During the evening several members received awards including our King Lion Perry Butler and former Lions Bill and Donna Lee Butler.

**Bad Joke of the Month:**

Town Council & Staff wish to acknowledge and thank all those merchants who have put forth the effort to "beautify" their properties in advance of this summer's festivities.

Most shops look wonderful along St George Street and show tourists and residents that we are proud of our town and have put our best face forward in celebration of Canada's 150th anniversary.

Special thanks to Annapolis Investments in Rural Opportunities for their partnership in the Gussied Up Program.

**Rendez-Vous 2017 Tall Ships Regatta**

**Parks Canada Corner**

Firstly, a big thanks to Town Public Works staff who hung our banners to mark Canada 150 and the 100<sup>th</sup> anniversary of National Historic Sites; Fort Anne is the first, making our 2017 celebrations even more special!

Fort Anne has a busy month of special events in July starting with Canada Day, followed on July 7<sup>th</sup> by a Citizenship Ceremony – sure to be a very special occasion. A croquet tournament is planned for July 15 and 16, and cricket on July 29 and 30 – don't mix them up! On July 23, weather permitting, Bandfest's massed band concert will be at Fort Anne.

Across the causeway, Port-Royal hosts its own Canada Day celebrations with cake, of course and music! July 9 from 1pm to 4pm we celebrate Mi'kmaw culture and on July 13<sup>th</sup>, come and enjoy music in the afternoon performed by Harvey Marcotte. July 30, stop by to see artisans at work as we celebrate and demonstrate the various skills used in the reconstruction of Champlain's Habitation.

It is a great summer of celebration and we hope to see you out!

**Update on the Academy Condos**

If you have wondered about the large piles of dirt recently surrounding the Academy building on St. George Street, it's just the next phase in the total reconstruction of ARRA into what will become 39 modern condominiums.

"The early part of the renovation which took place late last year and early this year was largely inside" explained builder Tim Tanner, Owner and Developer for Jacob Tanner Development, Inc. "Now that weather permits, there is more emphasis on outside construction and that includes a lot of excavation, creating, as you may have noticed, several large piles of dirt. They are the result of holes dug to accommodate the second and third floor deck supports and the first floor sunken patios.

"The recent major digging was for the first floor units at the front of the building, all four of which are below grade level. To keep these units more in touch with the outdoors," Tanner said, "we excavated for and built what we call 'Walpinis', subterranean extensions of these units, boxed in concrete, with ground level roofs made mostly of glass. In effect, greenhouses. It has been a huge project and accounted for most of the out front piles of dirt for the past few weeks. Most of that mess has now been cleaned up.

"The final dirt pile projects include creating 92 parking spaces to accommodate owners, their guests plus visitors to the gym and library. And finally, there is the mysterious culvert that runs from the building to a spot well out onto the front lawn. It is the beginnings of a large fountain which should be completed before the end of summer.

"We will continue to provide these updates until the project is completed, sometime in late summer or early fall. We are delighted at the opportunity to preserve this building that means so much to so many in the area. And we deeply appreciate the support this project has enjoyed from the town. We can promise all a very attractive and valuable addition to the landscape of Annapolis Royal."
