WHAT'S UP ANNAPOLIS?

Official Waterfront Project Grand Opening and Dedication of the Amphitheatre

Please join us on September 15th for our Official Waterfront Project Grand Opening and Dedication of the Amphitheatre including: the newly renovated boardwalk, boat building project, beach access, and the naming of our new amphitheatre. Keep an eye on our website (www.annapolisroyal.com) and Facebook page for more details, including start time, which will be announced at a later date.

September 15th will be a celebration of our shared history with the Bear River First Nations and a huge thank you to everyone who made this project a reality. We would especially like to thank the Waterfront Development Committee and both the current and previous Council for all of their hard work and commitment. Thank you to Atlantic Canada Opportunities Agency, Department of Energy, Department of Communities, Culture and Heritage, and a private donor— as without their funding support this project would not have become a reality.

MAYOR'S MESSAGE

What can I say, but wow! It was an incredible summer of exciting events in the Town of Annapolis Royal. Canada Day weekend raised the bar as we celebrated the 150th Anniversary of Confederation with a visiting delegation from our twin city of Royan in France, incredible music and ceremonies, plus a sit down dinner of free lobster rolls for 500 people on the town wharf. Our Canada 150 Community Leader Zeynep Tonak joined us for many of the special events this summer.

Our Natal Day weekend - always a highlight of the summer - kicked off with a street dance on St. George Street with the music of local favourite Focus and Merimac from Halifax. The encampment of historic re-enactors at Fort Anne National Historic Site and the Sunset Ceremony by the cadets of HMCS Acadia are always a highlight of the Natal Day Weekend - during which we saw the coronation of Brenda MacDonald as our new Queen Annapolis Royal. It was my great honour to march in the Natal Day Parade as your Mayor - joined by Councillors Holly Sanford and John Kinsella.

History surrounds us in Annapolis Royal. It lies hidden beneath our feet and is reflected in the heritage buildings and national historic sites within our town. This summer history was also reflected on our waterfront as Annapolis Royal hosted a sail-past of the Canada 150 Rendez-Vous 2017 Tall Ships Regatta. For centuries tall ships sailed in and out of this port - and it was from this same waterfront in 1605 that the Mi'kmaq saw the tall ships of French explorers Pierre Dugua and Samuel Champlain sailing into these waters to establish the first permanent European settlement. The tall ships of Rendez-vous 2017 (including Bluenose II) sailed through the same waters and channels navigated centuries earlier by Champlain. As if seven tall ships weren't enough, that very same day we enjoyed events and music in the amphitheatre and on the Town Wharf, Pirates from Halifax, a second Sunset Ceremony by the cadets of HMCS Acadia, and a colossal display of fireworks off the Town Wharf.

It is important to acknowledge that all of these incredible events were the results of tireless work and dedication by Town staff and volunteers - and in the case of the sail-past of the tall ships blossomed from the inspiration and initiative of a single individual. Digby was originally intended as the last outpost of the Rendez-Vous 2017 Tall Ships Regatta, until Ron Wesman - a resident of the Municipality of the County of Annapolis - successfully lobbied the organizing body (Waterfront Development Corporation) to include a sail-past Annapolis Royal. The stunning fly-over of the Lockheed CF-140 Aurora aircraft during the sail-past was also conceived by Ron. Equally significant was that Digby Mayor Ben Cleveland offered his support for the sail-past and provided ongoing assistance - for which the Town of Annapolis Royal is forever grateful. Limited space restricts my ability to thank each and everyone who contributed to a summer in Annapolis Royal to be remembered.

Pool News

The Annapolis Pool has been a very busy spot since opening day July 1st. Instructors will complete their 4th & final session of Red Cross lessons August 25th. We are once again pleased with our turnout for lessons, lane swim, family & B&B passes, and the 10 punch pass that we offer through our programming. Volunteers; Elsa Hafting, Ben Tompkins, and Max Longmire have spent many hours shadowing staff members and assisting the operations at the pool. So wonderful to build relationships with youth who are looking to pursue an interest at this incredible facility. Late night swims are an annual community event that coincide with Annapolis First Fridays and we appreciate everyone who comes out and enjoys a swim under the stars. Our Canada 150 week was enjoyed by our patrons and staff (painted hands on our pool picnic tables, games, swimming 150 lengths in the pool, colouring contests, participant prizes, and ending with the 12 hour swim). Annapolis Pool Manager, Katy Sabeau along with staff decorated a float for the Natal Day parade with our entry entitled, "Annapolis Community Pool Takes the Cake." Thank you Gemma for entering your car (red) so fitting for the parade theme, and the yummy Canada Day cupcakes handed out during the parade. Over 2 weekends, under the direction of lead instructor, Keith Lawrence, Sam Cooper and Emily Olsen (both Shadow Guards) completed their requirements for National Lifesaving and are now full guards at the Annapolis Pool - Congratulations!

Our pool staff & FAPS continues to be grateful to our Town, RBC, BNS, Hutchin's Pharmacy, Phil Roberts & Wendy Abramson, our families and community patrons, THRIVE, CSJ and Skills Incentive Program for a terrific and fun-filled pool season. FAPS will be hosting its General Meeting on Tuesday, September 19th at the Annapolis Town Hall Boardroom (6:30 - 8:30 pm). We welcome newcomers!

Thank you!

CHIEF'S CORNER

As the newly appointed Chief of Police for the Town of Annapolis Royal, I would like to take this opportunity to thank everyone for your support and placing your trust and confidence in me. I wish to thank Chief Burt McNeil for his many years of dedicated service to Annapolis Royal and wish him the very best in his retirement.

I would also like to congratulate Constable Jon Theriault on his new appointment as a part time member and Constable Josh Boreland as a casual member. Both will make great additions to our current full time members, Constable Nicole Cleaves and Constable Greg Morrell.

Having been a resident of Annapolis Royal for the past five years, I have met many wonderful people from the Town and neighbouring communities and have made many new friends. I have also met many other visitors particularly over the past several weeks during the Natal Day and the Tall Ships events, who spoke highly about how wonderful and charming our town is. It is amazing to see just how far some people have travelled to visit Annapolis Royal.

I look forward to serving you as your new Chief and encourage you to contact me or a member of my staff if you have any information, questions, or concerns regarding policing or safety within Annapolis Royal.

Annapolis Royal Façade Program

We are pleased to let you know that the new recipients of the Annapolis Royal Façade Program have been notified. In total 17 applications were received and 16 of those received funding, with a grand total of \$15,000 in grants awarded.

If you have received one of these grants it is important to know that project work must be completed by March 31, 2018.

Final project cost and copies of eligible receipts MUST be submitted within 14 days of the completion of a project in order to receive your funding.

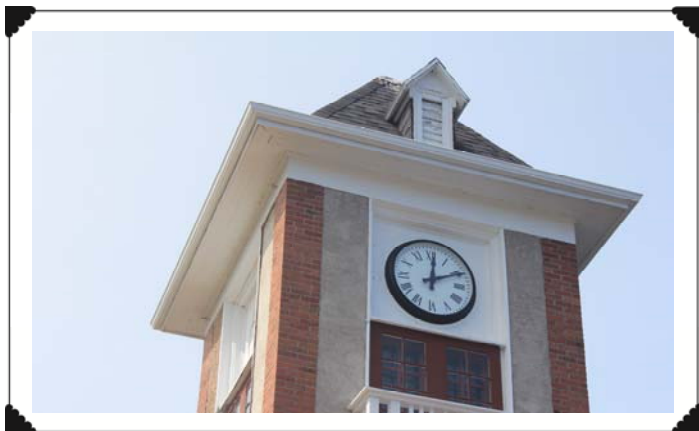

Upcoming Projects

The Town of Annapolis Royal would like to notify residents of a few upcoming maintenance projects. These include the replacement of sewer lines and the re-lining of the Lequille Water Reservoir. We are hoping to have the work completed in the very near future.

The reservoir will be offline for 14 days but we have taken steps to ensure that service and water pressure will not be interrupted during construction. Although we have taken precautions, water pressure may fluctuate slightly and do not be alarmed if it does.

All those who will be affected by the replacement of sewer lines have been contacted by the Superintendent of Public Works, Kevin McLean.

If you have any questions about either of these projects please contact Town Hall.

Have you seen our new Town Clock?

If you were unable to make it to the unveiling we hope that you have had a chance to take a look!

Once again special thanks to Peter and Valerie Davies and Friends of Town Hall for making this possible.

Tree News

It is now September, a good time to talk about trees. Late summer and early fall are one of the best times to plant.. Here are some advantages of planting trees during this time:

- trees are starting to go dormant, it means they are hardening up and prepare for winter
- new trees benefit from cooler weather and they get all the fall, winter and spring moisture before facing a dry summer
- if planting early in September there will still be some root growth to settle into the new location and get a good start for the next spring.

The good news is that we will be planting a dozen new trees in the Town. Over the last few years we have lost a number of large trees, especially along St. George Street. In order to restore the canopy we will focus on replanting large growing and long living native tree species like sugar and red maple, red oak, and yellow birch. The Town also has a long history of tree planting, so adding some resilient, large, non-native tree species like Tulip Tree, European Beech, Linden and Dawn Redwood completes the variety of species. The more variety, the more resilient the urban forest becomes.

On the other hand managing our last remaining elm trees remains a challenge. This is the time of year when Dutch Elm Disease is very visible. It shows up in the crown of affected elm trees and causes what we call “flagging”. Single limbs will turn red and it seems to stand out from the rest of the tree. Unfortunately these trees, once diagnosed beyond doubt, have to be removed to prevent the disease from spreading to the rest of the elm tree population. We will be around to survey elm trees and have them tested for pathology if needed.

If you have any questions or concerns, please contact Town Hall 902 532 2043 or angelika-waldow@bellaliant.net

Crosswalk Flags– See and Be Seen

The Town of Annapolis Royal has joined many other communities across Nova Scotia by installing crosswalk flags at designed marked crosswalks within the Town. The flags are fluorescent orange with reflective tape designed to provide high visibility to pedestrians.

Flags have been installed at three locations with the intent to increase the coverage annually. The initial locations are located at the following crosswalks:

- Intersection at St. Anthony Street and Victoria Street;
- Entrance to the Annapolis Community Health Centre at 821 St. George Street; and
- #1 Highway at Victoria Street.

Chief Moser wishes to advise that both pedestrians and drivers have a shared responsibility to ensure the safe passage of individuals across any roadway. The purpose of these flags is to provide high visibility for a pedestrian crossing a marked crosswalk but must be used in conjunction with the shared responsibility of ensuring that drivers stop and the pedestrian is confident that it is safe to cross the road. The philosophy of “**SEE AND BE SEEN**” is the cornerstone of pedestrian safety.

Additional flags are available through the Annapolis Royal Police for town residents who wish to purchase flag holders to be used at designated Town crosswalks - in memory. For additional information please visit crosswalkflags.ca

If you have any questions or concerns please feel free to contact a member of the Annapolis Royal Police Department at 902 532-2427 or check out their Facebook page for more information!
