WHAT'S UP ANNAPOLIS?

Saying 'hello' to March means saying 'goodbye' to winter. What better way to kick off Spring than with the Annual Easter Eggstravaganza? Find all the details on page 8.

March also brings the end of the fiscal year. It has been a busy year with many projects on the go that were visible to residents, such as the boardwalk upgrades and amphitheatre. However, there are many other not-so-visible projects that focus on infrastructure that have been undertaken or are upcoming. Tax dollars are being spent on much needed upgrades to sewers, the soon to be new Library and Innovation Centre, and the water tower. Funding has come from various sources in addition to municipal contributions. Below are a few of the projects that outline how your tax dollars are at work for you.

Project	Description	Total Cost	Town Contribution	Funding from Other Sources
Sewer Replacement Project	Replacement of sanitary lines that were marked as critical in the condition assessment report.	\$258,506 (estimate)	\$64,626.50 (estimate)	\$193,879.50 (estimate)
The Library and Innovation Centre	A new library will be built at the Academy. The space will also feature an innovation centre and programming room.	\$671,512 (estimate)	\$230,822 (estimate)	\$440,690 (estimate)
Water Tower	Draining, cleaning, re-lining, and painting of the water tower (extending useful life by 25+ years and avoiding a \$2M+ replacement cost)	\$436,267 (actual)	\$286,267 (actual)	\$150,000 (actual)

MAYOR'S MESSAGE

Perhaps like many others, as the end of February approached, I started counting down the days to Spring: marked by the Spring Equinox on the 20th and 21st of March with its promise of renewal and rejuvenation - and Easter Eggstravaganza on March 31st! For many in the Town of Annapolis Royal, it is a time of preparation in anticipation of the arrival of thousands of visitors annually to our historic town - now guided by our new highway signs declaring us the cradle of our nation.

A number of homes and historic B&B's in Annapolis Royal have recently changed hands. A strong indicator of a growing optimism in the future our community - embraced by Town Council and staff in the planning of projects that will further enhance our community's sustainability and quality of life. Be sure to welcome any new faces you see on our streets, and let's all work together at making our remarkable town all the more wonderful.

COMMUNITY

Community Volunteer Income Tax Program

With winter comes cold weather, snow, and income tax returns. We can't do anything about the weather but we might be able to help you with your tax return. The Community Volunteer Income Tax Program (CVITP), sponsored by the Canada Revenue Agency (CRA), provides **free—totally free, no strings attached—**tax preparation for people with a modest income. If you are an individual with an income below \$30,000, or a couple with an income below \$40,000, you may be eligible for this service. The program is for people with a simple tax situation - we are unable to process returns for small businesses.

Volunteers are screened and trained through the Canada Revenue Agency (CRA). Tax returns are filled electronically, accepted immediately by the Canada Revenue Agency, and refunds and assessments will be received relatively quickly.

Tax preparation clinics will be held at St. George and St. Andrew United Church—the brick church by the traffic lights in Annapolis Royal. Please use the side door with the veranda, on the left of the building.

Walk-in clinics will be held, starting on March 5th, every Monday from 1 pm - 3 pm, through March and April. No appointments will be required for these clinics and they will be on a “first come, first served” basis.

Some spaces will be provided for scheduled appointments. If you would like to get your name on a list to receive an appointment, if you would like additional information about this program or the availability of the service, please call the church at 902-532-7954 or call Janet at 902-532-7284.

All clinics are weather permitting—no clinics will be held on snow days. In if doubt, call one of the numbers above to confirm.

March 1st is World Compliment Day—so don't be shy and share positivity by paying compliments.

CHIEF'S CORNER

By now you may have seen our new police vehicle, which replaced the older 2009 Chevrolet Impala. You may note a slight difference in our stripe package, which includes a hint of red—one of the colour's in our Coat of Arms. You will also note the words “Service to the Community” under POLICE. This is simply a reminder of our commitment to the citizens of the Town of Annapolis Royal.

This month you will note a correction in our reported statistics from the previous month – a minor “faux pas” at printing. While I believe it is important to show statistics to help maintain transparency – they should be viewed keeping in mind that they capture calls for service and not necessarily all activities in which our members are involved., such as volunteering and other pro-active policing activities. If you have any questions about our statistics, or any policing concerns, I would encourage you to contact me or a member of the Board of Police Commissioners. As an oversight body, board members are also the link between the community and police. Your board members can be found on the Town of Annapolis Royal webpage.

Finally, while I may embrace Shubenacadie Sam's prediction of an early Spring, the Almanac predicted a colder, more normal winter for the Maritimes, with many locations experiencing above-normal precipitation. Regardless of what you may believe, Spring is definitely much closer now than it was one month ago. That said, be careful and remain prepared for those weather events that might turn up and surprise us before Spring actually arrives.
