MAYOR'S MESSAGE

September 9, 2018 was a remarkable day in Annapolis Royal, as numerous dignitaries, Lewis family members, special guests, and a hundred onlookers gathered with myself and members of Town Council to honour the memory of Dr. Daurene E. Lewis, CM, who became the first black female mayor in Canada when elected mayor of Annapolis Royal in 1984. Lewis passed away in 2013, and September 9, 2018 marked the 75th anniversary of her birth in Annapolis Royal.

A community initiative to raise funds for the commissioning of a bronze portrait of Lewis by celebrated Canadian sculptor Ruth Abernethy was launched to coincide with International Women's Day - celebrating the social, economic, cultural and political achievements of women. Among the many accomplishments in her life of excellence, Lewis was Director of the Centre for Women in Business at

Mount Saint Vincent University; Principal of Nova Scotia Community College's Institute of Technology and Akerley Campus; served on the Board of Directors of Canada Post; the Governor General's Order of Canada Advisory Council; the Executive of the Vanderbilt Institute of the Family; the Maritime Conservatory of Performing Arts; and was a Member of the International Women's Foundation.

Dr. Daurene E. Lewis, CM was also a recipient of the Order of Canada, the United Nations Global Citizenship Award, the Progress Club of Halifax Woman of Excellence Award for Public Affairs & Communication, and is on the Nova Scotia Black Cultural Centre's Wall of Honour. A truly remarkable woman, whose life will serve as an inspiration for generations of people for centuries to come.

The bronze portrait of Lewis was unveiled by her nephew, Dr. Peter Nkansah, assisted by sculptor Ruth Abernethy; followed by Annapolis Royal's Town Crier Peter Davies proclaiming the dedication of Annapolis Royal's town hall plaza as the Daurene E. Lewis Memorial Plaza.

COMMUNITY

ARCARE Seeks Housing

The team of volunteers leading ARCARE (Annapolis Royal Community Assisting Relocation) have been making great strides with our fundraising efforts to support the relocation of a new refugee family to our community. Thanks to the incredible support of community members, we have been able to raise nearly \$30,000 of our \$40,000 goal! This money will be used to cover costs of the sponsorship visa, provide housing and living expenses for one year and cover travel costs that the family is required to repay after living in Canada for one year. We are now actively looking for a family to support, but we need some help!

Our main need right now is housing. We are looking for a 2-3 bedroom home or apartment within walking distance to town. Our ideal landlord would be supportive of our cause and allow a bit of flexibility around the timing of the family's arrival. ARCARE is prepared to sign a 6 month or 1 year lease. We are planning more fundraisers this fall, including donation boxes that trick-or-treaters will have with them this Halloween. Please keep an eye out for students with ARCARE boxes on Oct 31st. Also, join our email list and/or Facebook group for info on other upcoming events.

If you have any leads on housing, or would like to join our email list, please reach out to ARCARE Chair, Ashley Sprague (ashleysprague@gmail.com). Thank you all for your amazing support of this cause. What a truly generous and caring community we live in.

CHIEF'S CORNER

Chief T.G. (Tim) Moser

As we move into fall, our daylight will be reduced as will our visibility on roads, so, a friendly reminder to get into the fall and winter driving mentality and prepare your vehicle for winter conditions. I would also like to remind you that studded tires are permitted between October 14th-April 30th of each year.

A short year ago I attended the annual Nova Scotia Chiefs of Police Conference and spoke about the pending legalization of cannabis. It was once again a hot topic at this year's conference as legalization will occur on October 17th. Having heard from Premier McNeil, Minister Fury, and other Department of Justice officials, I feel we are in a good position within Nova Scotia as we move forward into the legalization of cannabis. Like anything else, there will be growing pains, however, this is to be expected. Due to considerable research and public input the federal and Nova Scotia provincial governments have created new laws (Federal – *Cannabis Act*, Provincial – *Cannabis Control Act*) to properly regulate cannabis in addition to making changes to existing federal and provincial statutes related to the use, possession, and cultivation of cannabis. The Criminal Code in particular will deal with impaired driving by drug or combined drug and alcohol. More specific to Nova Scotia, the sale of recreational cannabis versus medicinal cannabis will be limited to authorized distributors through the Nova Scotia Liquor Commission. The use and possession of cannabis will be limited to those 19 years and older in private locations such as a residential property (rental properties may be restricted by the property owners – check with them), and public locations that are specifically authorized or do not conflict with the *Smoke Free Places Act* (see link at <https://novascotia.ca/smoke-free-places/> for more details). Each residence may grow up to four plants but again, this may be prohibited by owners of properties to those who rent. Individuals may only possess up to 30 grams of cannabis outside of their residence. The use in any motor vehicle while under the influence is prohibited. Violations of a provincial law will be dealt with by way of a Summary Offence Ticket, much the same way as a traffic violation versus a Federal Criminal Code offence as before. Any violations of Federal statute may result in criminal charges. For more information please refer to the following links to the Federal and Provincial Acts: <https://www.canada.ca/en/services/health/campaigns/cannabis/> and https://nslegislature.ca/legc/bills/63rd_1st/1st_read/b108.htm.

On a different note, there will be two remembrance ceremonies taking place in October/November. One is the Provincial Police and Peace Officer Memorial Ceremony to be held in Halifax on Sunday, October 21. The other is of course, Remembrance Day. Please take a moment to remember those who gave their lives for your freedom and way of life, including those who may suffer from injuries they received providing that service.

The owl is a popular Halloween image. In Medieval Europe, owls were thought to be witches, and to hear an owl's call meant someone was about to die.

Announcement from the Municipal Effectiveness Advisory Committee

The members of the Municipal Effectiveness Advisory Committee (MEAC) are looking forward to introducing the draft Municipal Planning Strategy (MPS) and the draft Land Use By-Law (LUB) to the citizens of Annapolis Royal. We are scheduling a Public Meeting for mid-December to show you the draft documents and get your thoughtful input. MEAC will summarize the changes from the current to the proposed new documents, showcase the new plan, and listen to your feedback. All citizens of Annapolis Royal are welcome!

-Jane Nicholson. Chair of MEAC

Commercial Compost Initiative

Council is pleased to announce a pilot commercial compost program for businesses.

The Town has been investigating options to help alleviate the compost issues that occur during the busier months. A cost effective and convenient service has been found as a possible solution.

EFR Environmental is able to provide supplemental commercial compost collection in addition to the regular Valley Waste collection. The service will be offered on alternate weeks to regular Valley Waste collection. Council passed a motion to cover half of the service cost so that businesses who partake will only pay **\$7.25 + HST/cart per collection**. This fee includes the supply of a cart, pick-up, and disposal of compost.

If your business is interested, we ask that you contact Amy at admin@annapolisroyal.com or 902-532-2043 with details of how many carts per pick-up (a set number is required), business name, address, and contact details.

This is a trial initiative for the 2019 tourist season and will begin mid-May and run until mid-October. We encourage all businesses that generate large quantities of compost to sign up for this inexpensive option.

Winter Parking

Winter parking regulations are as follows: effective either on the first snow storm or December 01, 2018 (whichever is earlier) to April 30, 2019, during the hours of 12am-8am, no person shall park or leave standing a motor vehicle upon any highway or street within the Town limits in accordance with provisions of the Motor Vehicle Act.

Vehicles, whether attended or unattended, shall not be left in a position or manner which may interfere with or obstruct snow removal or winter maintenance operations. Ticketing and/or towing will occur when a parked vehicle restricts snow removal or winter maintenance operations.

Mailing Addresses

Please note that due to new Canada Post Regulations, mail will not be delivered unless the correct mailing address is used. As a result, some of the utility bills sent out by Town Hall on September 30th are undeliverable. If you did not receive your bill, please contact Monica at 902-532-3148 or accounting@annapolisroyal.com to verify that we have your correct mailing address.
