MAYOR'S MESSAGE

What an incredible town! There is a can-do spirit in our community that never ceases to amaze.

Annapolis Royal's new Community Hub is a wonderful example of that spirit in action, with community partners coming together with the support of all levels of government to achieve the remarkable - beyond our expectations. What was originally conceived as a new and larger location for our town library ultimately blossomed into a truly inspirational community space.

On behalf of Town council I want to thank Town staff (past and present), the former Town council, and community members who spearheaded this wonderful and important project. And a special thank you to everyone who graciously contributed their time and money, without which the vision of this important community space could not have been realized.

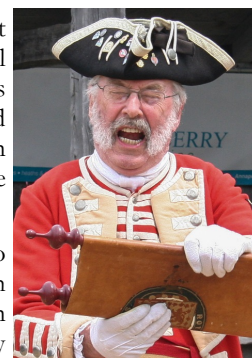

COMMUNITY

Get on the Ban Wagon

St. George and St. Andrew United Church and Miller's Independent Grocery in Annapolis Royal wish to thank everyone in Annapolis Royal that contributed to the "Get on the BAN Wagon" bag bin that was located at the store for two weeks. Over 450 reusable bags, contributed and collected jointly by the store and the church's Church in Action Committee, have been distributed to shoppers to replace the single-use plastic bags they had been using.

We are grateful to those who donated bags as well as to those who donated cash so we can continue to buy fabric and thread to make cloth bags. We also appreciate those who took reusable bags from the bag bin and hope they will continue to be used in place of the environmentally damaging bags we have been trying to replace.

We will keep the bin open until the bags disappear and will continue to try to bring attention to the negative impact of single-use plastics through other projects and strategies. Remember single-use plastics threaten wildlife and affect human health.

The deadlines are March 15th and May 15th. After May 15th, submitted applications will be assessed based on date of receipt and the program's fiscal ability. Annapolis Royal Student Earns Loran Award

Annapolis Royal's very own Finn Hafting, student at Annapolis West Education Centre, has been selected as a Loran Scholar – one of 35 recipients of Canada's most comprehensive undergraduate scholarship for character, commitment to service in the community, and leadership.

This is a prestigious award and is valued at \$100,000 over four years of undergraduate study, including a \$10,000 annual stipend, tuition waivers, mentorship, summer internship funding, an orientation expedition in Algonquin Park as well as annual retreats and forums.

More than 5000 students applied this year, and the top 88 finalists travelled to Toronto for national selections whereby 35 were selected for the award. Congratulations, Finn, on a truly remarkable accomplishment.

Lions News

The Annapolis Royal Lions Club will be conducting a special March monthly dinner meeting to promote eye donor awareness, one of the many eye related projects carried out by the Lions. Dinner will be held at the fire hall on Monday, March 25 at 6:30pm. Other activities being carried out in March are promotion of our Lions Speak Out Public Speaking Contest and our drug awareness poster contest. Last year over 130 children at Champlain Elementary School participated. The Club donates to the Zone 7 contribution to sending a Zone winner of Speak Out to the district contest to compete to represent the district at regionals.

On April 22nd we will be holding our family and friends dinner night to promote community support in carrying out service activity. Once again at 6:30pm at the fire hall and we hope to have a guest speaker. April is Lions Environment Month and at this time of year we promote highway and town clean-up and other projects involving the environment. The Nova Scotia Adopt a Highway Program encourages communities to carry out clean-up projects in April and asks residents to clean the highway ditches and keep the roadsides free of litter. In past years the Club has cleaned the Dugway Road and supported the Annapolis Royal clean-up drive. Please remember May 4th is Adopt-a Highway Day in Nova Scotia. April is also Annapolis Royal's Easter Eggstravaganza and the Lions Club will be assisting.

Need Assistance with Income Taxes?

Spring might not be here yet but income tax time is! Would you like to get your tax return filed for free quickly and conveniently? Depending on your financial situation, we might be able to prepare and file your tax return electronically, for free. The Canada Revenue Agency sponsors a program called the Community Volunteer Income Tax Program (CVITP), a free tax preparation service for people with a modest income and a simple tax situation. This year we got a "raise" and the income criteria amounts have been increased to an individual with an income under \$35,000 and a couple with a combined income of under \$45,000. Please be aware, however, that we are not permitted to file returns for people who operate a small business, have employment expenses to claim, or rental income. We will be offering drop-in tax preparation clinics every Monday from 1pm-3pm during the months of March and April, weather permitting. Clinics will be held at the United Church in Annapolis Royal, by the traffic lights—please use the side door with the veranda. For information regarding eligibility or clinics, please call Janet at 902-532-7284 or e-mail incometaxhelp@eastlink.ca

CHIEF'S CORNER

Chief T.G. (Tim) Moser

With spring around the corner I must say that I will not miss winter and can't wait for warmer and more predictable weather. Although many people travel to warmer destinations in the colder months between December and February, March is also a time for many to take advantage of school breaks in order to relax and rejuvenate.

As we inch closer to warmer weather we are reminded that it is a time when many people start to become more active, which includes increased vehicle and pedestrian traffic within town. Please be mindful of speed limits and traffic regulations as they relate to these concerns.

You may note some minor changes with some traffic signage or highway markings that are designed to amplify the general rules of the road.

While we like to be close to our destination for convenience I want to remind you that it is for the safety of drivers and pedestrians alike that we have these rules including prohibited parking; within 5 metres of a fire hydrant or crosswalk, 7.5 metres from an intersection, or 10 metres of a stop sign. It may sound like common sense however these are the most common parking related violations that we see in town. These violations can cause drivers to "go around" the offending vehicle and by doing so head into oncoming traffic or obscure the line of sight for driver or pedestrians to see each other. I would also like to remind you that leaving your vehicle running while unattended is a violation of the motor vehicle act and contrary to our Town "No Idling" policy.

Many of you already know that our CAO, Greg Barr, has moved onto another position with the County of Kings, and I want to wish him the best of luck in his new position. I think I can speak for everyone at the Town Hall that he will be greatly missed.

I would also like to send a big shout out to the members of the Annapolis Royal Volunteer Fire Department for the hard work and commitment to our community. Not just for the everyday calls for service they respond to but the exorbitant amount of volunteer time put into "Chase the Ace". At the time of this writing, the ace of spades has not been picked so good luck to everyone or congratulations to the winner, whichever the case may be.

Have a great and restful March break and Happy Saint Patrick's Day everyone!
