## MAYOR'S MESSAGE

Mayor Bill MacDonald

The Town of Annapolis Royal continues to attract new residents, as more and more people discover the unmatched quality of life that we enjoy in our community.

House sales in town, and the surrounding area, have been unprecedented; which, along with the opening of new businesses and commercial building and land purchases by young families, may be heralding a changing of the guard in the Town of Annapolis Royal. Bringing fresh perspectives and ideas, to build on the work and achievements of longer term citizens who have done so much for our community and who continue to lead by example.

Annapolis Royal is in the enviable position of being home to a new wave of energy and dynamism with access to long term local wisdom and experience. Our constant support of each other is the elixir of our success and livability.

### A Message from Council

Annapolis Royal Town Hall has been made aware of an erroneous rumour that Council intends to allow the operation of All Terrain Vehicles (ATVs) on the Harvest Moon Trail within town limits. This rumour is false. Council appreciates that members of the ATV community wish to visit our town, but the long-standing prohibition against the operation of ATVs on roads and trails within the town limits of Annapolis Royal remains in place - with no plans by Council to remove or alter that prohibition. Please see the off-road by-law for more information: <https://annapolisroyal.com/off-road-vehicles/> anyone who sees an unauthorized ATV is encouraged to contact the Annapolis Police Department.

### AWEC News

Hey Annapolis! This winter has been a busy one at AWEC. High School students finished their exams in January and are now in their second semester. Our student council has been hard at work with organizing activities and fun events, such as basketball intramurals at lunch and spirit days. We had a "Decades Week" in February in which students were encouraged to dress up in the style of a different decade each day. We also have Winter Carnival in March which includes a trip to Martock. AWEC's annual IWK Dance Marathon is also in the works for early May.

Our basketball teams are finishing up their seasons and badminton is getting underway and **the Sr. Girls soccer team won provincials in November and the Sr. Boys volleyball team placed 4th in December!**

**Enviro Tip of the Month:** As the weather begins to get warmer this spring, try to avoid letting your car idle for too long when you're warming it up on cold mornings!

- Emma and Joe

### Friends of the Annapolis Pool Society

We are beginning the process of hiring for our 2020 season as well as fundraising in support of our facility. The Friends of the Annapolis Pool Society will be hosting its annual Mother's Day brunch at the Fire Hall, May 10, 2020.

We can always be reached out at [annapoliscommunitypool@gmail.com](mailto:annapoliscommunitypool@gmail.com) or on our Facebook page - "Annapolis Community Pool".

## AWEC Royal Robots Win The Maritime Robotics Championships

Last month, the AWEC “Royal Robots” won the Maritime Robotics Championships held at Acadia University. This is the 7th year in a row that an AWEC team has won this competition, and the 4th consecutive year that the current squad has won. The team members are: Logan Cornwall, Owen McClair, Cameron Chapman, Lucas Smith and Saul Hafting. The team youth mentor is Dawson Edwards. With this win, the team has qualified to represent Atlantic Canada at the World Robotics Festival in Detroit in April. The team is currently raising funds to cover the cost to travel and compete. They are also continuing to “give back” to this community by running robotics workshops, organizing a BattleBots league at the Annapolis Innovation Lab and working with Friends of the Annapolis Pool Society to bring wheelchair accessibility to the Annapolis Community Pool. Please visit their Facebook page “Royal Robots” and click on the *GoFundMe* link if you want to support these hardworking students. We wish them the best of luck as they prepare for this challenge! Congratulations Royal Robots!

## Join the Annapolis Valley City Nature Challenge 2020 Team

## Lions News...

The Annapolis Royal Lions Club will be conducting its monthly dinner meeting while visiting the Middleton Lions Club on March 23rd. This joint meeting will also be the 3rd Annapolis Valley Zone Meeting of the year. The Zone 7 youth public speaking contest will also take place that night to name our candidate for the District Contest. The Annapolis Valley Special Olympic Society has been invited to accept cheques raised from the Valley Clubs in their support. The Annapolis Royal Club recently held a draw on a gift certificate for \$200 at the Annapolis Royal Independence Store. \$677.45 was raised. Congratulations to Sue Anne Cooper, the lucky winner! We wish to thank all those who supported us and especially the management and staff of the Independence Store. During the month of March the Club conducted a Drug Awareness poster contest at Champlain Elementary School and handed out 9 certificates of appreciation and cash prizes to the winners. Lastly, during the month of March the Club helped commemorate the 42nd Annual Lions Day at the United Nations. The Lions were part of the Founding Groups of the UN in 1947 when our Founder Melvin Jones helped to write the charter governing the non governmental agencies related to health, humanitarian service, refugee settlement, economic development, and other similar activities. In April the Annapolis Royal Lions Club will be conducting its Friends and Family night dinner and Lions world wide induction day event at our April 27th dinner meeting at 6:30pm in the Fire Hall. At this meeting one new member will be inducted and all our Club members will renew our oath of induction. Congratulations to Barb Moroz on her membership. Other activities supported by the Lions Club this month include attendance at the Nova Scotia Convention in Amherst where 2 hearing aids and 466 pairs of eyeglasses were recycled. Other projects included participation on the Nova Scotia Adopt a Hwy Program and cleanup. For those wishing to learn more about Lionism or to attend a meeting, contact Peter Sleight, secretary, at 902-532-2846.

## CHIEF'S CORNER

**Chief T.G. (Tim) Moser**

Congratulations – you survived winter! Hopefully, spring is right around the corner! Although we had a relatively mild winter, I prefer to see warmer weather. That said, a bad day in Annapolis Royal is better than a good day anywhere else regardless of the season.

Please be reminded that our children will be on two breaks during this period: Spring Break from 14-22 March; and East Break from 10-13 April, which means that more children will be "out and about" either walking or riding their bicycles. Also, as we get into milder weather, please be reminded that many people will start to leave their winter dens or return from their winter (warmer climate) destinations and become more active, which includes increased vehicle and pedestrian traffic within town. Please be mindful of speed limits and traffic regulations as they relate to these concerns.

I also want to remind you of some basic rules of the road and parking. While some of us like to be close to our destination you must be aware that the following violations can occur if you are not paying attention to places where parking is prohibited; within 5 metres of a fire hydrant, on or within 5 metres of a crosswalk, within 7.5 metres from an intersection, and within 10 metres of a stop sign. You should also be aware that blocking a driveway or parking on private property can result in the issuance of a ticket and/or your vehicle being towed at your expense. The places of most concern are in the lower Saint George Street area of town and areas surrounding the old Annapolis Royal Regional Academy (ARRA) near the Library and private property associated with the Condo's and old Library at the corner of Grange and Ritchie Streets. I would also like to remind you again that leaving your vehicle running while unattended is a violation of the motor vehicle act and contrary to our town "No Idling" policy.

Have a relaxing March break, a happy Saint Patrick's Day and a very Happy Easter! Please remember to be patient and kind to each other.

P.S. Don't say you heard it from me ... but rumour has it on the Bunny Line  there will be some kind of an egg hunt happening – near Fort Anne I am told. Keep your eyes peeled for more details!
