

In the face of COVID 19 the Town of Annapolis Royal has followed the advice of our health authorities and will be holding a 100% online voting system to keep the residents and staff safe.

You will be receiving your voters' card in the mail in the coming weeks and you can vote by calling the number on the card or by logging onto the website noted on the card. You can do all the voting from the comfort of your own home. Polls will open at 9am on October 8th and close at 7pm on October 17th. Results will be posted on social media at the end of the voting day on October 17th.

Should you not have access to any devices on which to vote you can come into Town Hall and vote on an electronic device. The hours to do so will be noted on your voters' card. Please note that social distancing and masks will be a requirement.
