A DIALOGUE OF PLACE & DIVERSITY

Dr. MARIE BATTISTE
Dr. JOHN REID

and Dr. S. KARLY KEHOE

The Town of Annapolis Royal is embarking on a journey of reconciliation. BEYOND OQWA'TITEK (taking its inspiration from the Mi'kmaw word meaning "when they arrived") is a series of educational and cultural events promoting greater understanding of the impact and legacy of our colonial past on indigenous communities - while at the same time, celebrating the uniqueness and diversity of cultures that have occupied these lands over time. 2021 marks the 400th anniversary of the Charter of New Scotland with events showcasing and celebrating Mi'kmaw and Scottish culture and history.

An on-line Dialogue of Place & Diversity with esteemed indigenous and non-indigenous historians will explore relationships between the Mi'kmaq and early Scottish settlers. Audience participation is encouraged.
