

**Town of Annapolis Royal**

**REQUEST FOR QUOTES**

**Supply and Installation of  
Generator and Transfer Switch  
at 143 Ritchie Street Town of Annapolis Royal**

The Town of Annapolis Royal is seeking Requests for Tenders from qualified interested parties for a 25kW, 60Hz, Standby, Diesel Genset, 1800rpm engine and an OTECB, OTEC Transfer Switch-Electronic Control: 260A. A site visit for the installers is mandatory for bidders.

Specifications will be sent to interested bidders upon request; you may contact the Regional Director of Public Works, Dan Wade [dwade@annapolisroyal.com](mailto:dwade@annapolisroyal.com) for any additional inquiries, specification docs & to set up site visits.

The electrical installation of the generator and transfer switch will be price dependent on a pre-arranged site visit with the Director of Annapolis Royal Public Works, Dan Wade. A blind bid will not be accepted as the site visit is mandatory for all bidders.

The electrical installation of the generator and transfer switch will be price dependent on a pre-arranged site visit with the Director of Annapolis Royal Public Works, Dan Wade. A blind bid will not be accepted as the site visit is mandatory for all bidders.

Sealed submissions must be received by 1:00 p.m. on Friday May 12, 2023, marked “generator & transfer switch supply and installation”.

The Town reserves the right to reject any or all tenders, not necessarily accept the lowest proposal, and the right to accept any tenders which it may consider to be in its best interest. The Town also reserves the right to waive formality, informality, or technicality in any proposal.

Shipping and freight will be the responsibility of the supplier.
