

Michael Tompkins

My name is Michael Tompkins, and I am seeking your support in the 2024 election for Mayor. I grew up in Deep Brook, graduating from both ARRA and AWEC, and later from Acadia University in 1991. In 1999 my late wife, Paula Buxton, and I purchased a home in Annapolis Royal where we raised our four children. I have worked at the

local Fairway Insurance office for 22 years as a Commercial Broker and recently the Commercial Manager.

My Government service began as a Town Councillor from 2000 to 2004, followed by a term as Mayor from 2012 to 2016. I then served as a Councillor from 2020 to 2022 and have been Deputy Mayor since 2022. During my tenure as Mayor, I led key projects: redeveloping the boardwalk, updating the Town emblem, integrating Valley Waste into town, creating the Marketing and Economic Development Committee, and redeveloping the Academy into a Condo and Community Hub we have today. These efforts were aimed at improving our community for residents and future generations. As Mayor, I am committed to addressing our town's major issues and enhancing its sustainability. The Expansion of the Town borders, Resolving the wharf and looking at opportunities for our water front,

developing the 60 + acres of Town land and lake in Lequille,
and finalizing the idea of a sea wall. To name just a few of the
issues.

Thank you for your consideration.
